Subject: RE: EA Addendum for Ptarmigan Energy Inc. Geophysical Program for Anticosti Basin Offshore Western NL EL 1120; EL 1128 AND EL 1127

Importance: High

Hello Darren,

The Department of Fisheries and Oceans has reviewed the EA Addendum for the, "Environmental Assessment of Ptarmigan Energy Inc. Geophysical Program for Anticosti Basin Offshore Western NL EL 1120, EL 1128 and EL 1127 (2012 to 2021)", and has determined the response to be adequate. However, with respect to comment no. 28, we do recommend a table detailing landings and values by fleet (fleet breakdown < 64'11" and > 65') by species for sub-divisions in 4R be provided. I hope you find this response satisfactory, if you have any question please let me know.

Best regards, Lisa
