Dear Mr. Power

**Re: Ptarmigan Geophysical Program, 2012 to 2021 Offshore Western Newfoundland  
Environmental Assessment Addendum**

---

The Canada-Newfoundland and Labrador Offshore Petroleum Board (C-NLOPB), in consultation with the Board's fishery and environmental review agencies, have reviewed the above referenced environmental assessment (EA) addendum.

The EA document does not satisfy all of the information requirements outlined in the Scoping Document provided to Ptarmigan Energy on May 7, 2012. In order to complete the Screening Report, the attached comments should be addressed.

You may contact me at your convenience to discuss these comments. I can be reached at (709-778-1431 or by email at [dhicks@cnlopb.nl.ca](mailto:dhicks@cnlopb.nl.ca)

Yours truly,
